

PRESS RELEASE: For Immediate Release

Data Innovations Releases Instrument Manager v8.08.02

March 9, 2009 - SOUTH BURLINGTON, VT: Data Innovations announces a maintenance release of Instrument Manager™ (IM) version 8.08.02 which corrects certain issues related to the Rules package, SM Workspace, and the Cell Counter functionality within Manual Results Entry. A detailed description of the changes for v8.08.02 is located in the release notes which are accessible from our Customer Web Portal (CWP).

As always, free upgrades from previous Windows versions are included in all our support and maintenance programs.

For more information about Instrument Manager v8.08.02 contact our regional Sales & Marketing Departments.
